* 1 music stand

Bass : - **Either 3/4 or 7/8 size carved wood bass** (NOT 4/4 size, please),
with steel strings, adjustable bridge, and pickup (or other means of amplification. ie, microphone system).

and Amplifier: a self-contained amplifier, OR an amplifier head
head. **speaker combination**
Polytone **attention: Drew does not travel with his own amplifier
1st choice: AER amplifiers (Basic Performer).
2nd choice: Ampeg (modern models...not the SVT) or
Brute (please no Mini-Brute)
3rd choice: Eden, SWR, Mesa-Boogie, or any professional
quality amplifier with EQ possibilities
use them. Thank you. **attention: Please NO Gallien-Krueger amplifiers. I can not
Speakers:
Voice 1 cabinet containing JBL, Hartke, Eden, Bose, or Electro-
speakers is preferred.
A cabinet w/ 2 12" speakers is ideal, but any cabinet is
acceptable as long as it does not have 15"
speakers within. These are too large for the acoustic bass.
THANK YOU!
